

# REQUEST FOR WILDLIFE REMOVAL

The undersigned authorized owner and/or tenant of Lot \_\_\_\_\_ , Sect. \_\_\_\_\_ hereby requests Indian Mountain Lake Civic Association, Inc, its officers, agents, employees, and security to remove, dispose, and/or destroy an injured wildlife animal (by firearm or otherwise) from my property and shall release and hold harmless the above-referenced persons from any claim, damage, or cost related to or arising out of such activity. Such removal, disposal or destroy of wildlife will take place only if deemed workable and safe by the Association. The Association reserves the sole right to make this determination.

The undersigned recognizes and acknowledges that the Association has no legal responsibility or authority to provide this service. If the removal, disposal or destroy of the wildlife animal cannot be accomplished, for whatever reason, it becomes the responsibility of the property owner to make arrangements to have the animal properly removed, disposed of, or destroyed pursuant to any and all Association, local, state and/or federal laws in effect at the time of occurrence.

The authorized owner and/or tenant shall be responsible for the cost of such service in the amount of \$50.00 payable to the Indian Mountain Lake Civic Association in the event the removal takes place at such other times than the normal Maintenance working hours from 8:00 am to 4:00 pm Monday through Friday. (Certain scheduled holidays are not considered as part of normal working hours.)
